

Presentation planning information

Please describe your planning for the presentation on an attached A4 word-processed page by completing 1, 2 and 3 below.

1. What is the real life situation under consideration?
2. What is the TOK knowledge issue that will be the focus of your presentation? (This must be expressed as a question)
3. Write a summary in note form (for example, a bullet point list), of the way you plan to deal with knowledge issues during your presentation
